

THE FIVE
BEHAVIORS
OF A COHESIVE
TEAM™

Your Team Can Do Better.

THE FIVE BEHAVIORS OF A COHESIVE TEAM is an assessment-based learning experience that helps individuals and organizations reveal what it takes to build a truly cohesive and effective team in the most approachable, competent, and effective way possible. Powered by Everything DiSC®, the profiles help participants understand their own DiSC® styles. Bringing together everyone's personalities and preferences to form a cohesive, productive team takes work, but the payoff can be huge—for individuals, the team, and the organization.

The single most
untapped competitive
advantage is teamwork.

To gain this advantage, teams must:

- ▲ **Trust** One Another
When team members are genuinely transparent and honest with one another, they are able to build vulnerability-based trust.
- ▲ Engage in **Conflict** Around Ideas
When there is trust, team members are able to engage in unfiltered, constructive debate of ideas.
- ▲ **Commit** to Decisions
When team members are able to offer opinions and debate ideas, they will be more likely to commit to decisions.
- ▲ Hold One Another **Accountable**
When everyone is committed to a clear plan of action, they will be more willing to hold one another accountable.
- ▲ Focus on Achieving Collective **Results**
The ultimate goal of building greater trust, conflict, commitment, and accountability is one thing: the achievement of results.

Based on the best-selling book *The Five Dysfunctions of a Team*

There are many reasons teams fail. There's one proven way to help them succeed.

What does this program do?

The program helps teams understand how, as a team, they score on the key components of The Five Behaviors model: trust, conflict, commitment, accountability, and results. Each individual on the team will also understand their own personality style and their team members styles, based on the DiSC® model: D: Dominance, i: Influence, S: Steadiness, and C: Conscientiousness, and how their style contributes to the team's overall success.

Who is it for?

The program is designed exclusively for intact teams and work groups. The Five Behaviors of a Cohesive Team harnesses the power of Everything DiSC and the clarity and simplicity of The Five Dysfunctions of a Team model.

How does it work?

The Five Behaviors Model is used to help team members learn to work together more efficiently and effectively and become a more cohesive team. A productive, high-functioning team:

- ▲ Makes better, faster decisions
- ▲ Taps into the skills and opinions of all members
- ▲ Avoids wasting time and energy on politics, confusion, and destructive conflict
- ▲ Avoids wasting time talking about the wrong issues and revisiting the same topics over and over again because of a lack of buy-in
- ▲ Creates a competitive advantage
- ▲ Is more fun to be on!
